Electronic Resources Updates – 2019 Q3

The following information contains updates to the University Libraries collections and electronic resources for the third quarter of 2019. We are providing this information to update you about resources you are gaining or losing access to in the collection. We plan to publish collections and electronic resource changes quarterly to keep the campus community updated. Below you will also find information about significant projects and changes related to collections and electronic resources. **Past and future updates can be found at <https://ideaexchange.uakron.edu/erupdates/>**

Journal Cancellations

A significant number of individual journal subscriptions have been canceled due to a combination of availability/access in other resources and budget pressures. A complete list of cancellations, including any post cancellation access information, can be found in Appendix A.

Print Resource Cancellations

Many ongoing print collections will no longer be expanded/collected. Additionally, some standalone monographic series will no longer be collected. Please see Appendix B for a list of canceled titles.

Streaming Video Cancellations

A number of streaming videos previously available on the Swank Motion Pictures platform have expired or will be expiring soon. Please see Appendix C for a title list and last date of availability.

Streaming Video Guide

A library [guide with information about streaming video resources](#) at UA has been created. This quick guide explains our different resources and their cost structure. A link to request streaming video access is also provided. Additionally, this guide will now display when “streaming video” is searched in ZipSearch.

Database Updates

Below are relevant database updates for this time period.

- **Bates Visual Guide** – This nursing database, purchased by the nursing department, is now available via the library website and users can authenticate via the library for off-campus access.
- **Chicago Manual of Style Online** – This resource has been cancelled with access ending on 10/31/19.

- **College Source** – This database has been cancelled with access ending back on 7/31/19.
- **InfoTrac** – This database has been cancelled with access ending on 11/30/19. This database provided a mixture of current and backfile access to 737 e-journals. The title list for this resource can be found in Appendix D.
- **Springer e-journals, Springer e-books, and Anthrosource** – These resources are now discoverable within ZipSearch.

OhioLINK Journal Updates

Please see Appendix E for a list of journals being added or removed from our available journals via OhioLINK. Access to journals will remain in the Electronic Journal Center (EJC) for the years we were a subscriber via OhioLINK.

E-book Updates

Access has been added in our catalog to many new e-books. These e-books are both from high quality open access providers (i.e., Knowledge Unlatched, JSTOR, Luminos, and Project Muse) and as added new free content to our existing packages with EBSCO. Please contact Sean Kennedy for more details.
